

LAUNDROMAT 3.0

Speed Queen®: The perfect partner

Industry-leading financing*.

Laundry is all we do, and with \$2B in funds, we do laundry-focused financing better than anyone else.

Location analysis and site selection.

To ensure success from the start, our experts can suggest ideal sites or run analytics on a location you have in mind.

Facility design and equipment selection.

We'll help you and your contractor design the ultimate laundromat experience for your customers—and a profitable business for you.

* Available in selected countries, please contact your local distributor for more information

The future of vended laundry.

A fully integrated system.

By working together seamlessly to address every customer want and need, the new Speed Queen washers and dryers equipped with Quantum® Touch and Speed Queen Insights increase business-owner profits in ways that were never before possible.

LAUNDROMAT 3.0

A Revolutionary Investment Opportunity

 **Speed Queen.**
The Proven Performer in Laundry

QUANTUM® TOUCH

Touch the future.

Get in touch with what laundromat customers want.

Quantum® Touch builds customer loyalty by creating a premium retail experience.

- **Multi-language selections** help you reach and retain a more diverse customer base.
- Easily pre-program a library of **customizable cycle configurations** to allow customers to tailor their own experience.

Boost your bottom line.

Make running your business easier and more profitable.

- Pre-programmed cycle configurations, when combined with **on-screen notifications** that prompt users to modify their cycle, make upselling easy.
- **High-visibility screens** make in-store marketing more cost-effective and help reduce signage and advertising expenses.

Reach new levels of efficiency.

Quantum Touch saves both time and money.

- An **easy-to-use touchscreen** provides better guidance, so customers need less input to operate with the machines.
- Detailed **on-screen error messaging** leads to faster issue resolution.

An ultra-premium customer experience starts with ultra-premium machinery.

Quantum Touch saves both time and money.

- Touchscreen controls with an easy-to-use interface
- Enhanced design to make doing laundry more convenient
- Superior components and construction for machines that last longer and cost less to maintain
- Contemporary aesthetic for a more premium retail experience

Quantum® Touch comes with lifetime software upgrades and updates.

Quantum Touch controls work seamlessly with the Speed Queen Insights and the Speed Queen app for a complete customer solution.

New premium design and sleek aesthetics with optimized ergonomics for washing machines and tumbler dryers.

Speed Queen app brings to your customers the convenience of paying for cycles from their phone, in addition to keeping them updated on when cycles are completed.

Speed Queen Insights gives you quick and easy access to all the data you need to make decisions that will increase your profitability.
